SPECIAL NOTES

Big Oaks Youth Hunt

A youth deer hunt will be held at Big Oaks National Wildlife Refuge. To apply, send a postcard postmarked by October 1 with the youth's name, date of birth, phone number and address to: Big Oaks NWR, 1661 W. JPG Niblo Rd., Madison, IN 47250. For information about all Big Oaks hunts, visit the website at www.fws.gov/midwest/bigoaks.

Newport

There will be no public hunt on this area during the 2007 season.

Muscatatuck

Muscatatuck will have two separate special permit hunts, an archery hunt from Oct. 27 - Nov. 11 and a muzzleloader hunt from Dec. 8 - Dec. 23. The muzzleloader hunt must be placed as a firearms choice on the application. Hunters may apply for both hunts but can be drawn for only one day during each hunt. There is no choice of hunting dates. Handguns and crossbows are not allowed. For information, call the refuge at (812)522-4352.

NSA, Crane

Only one deer per person per hunt day may be taken with a firearm at Crane. There will be no archery hunt.

Military areas

Any deer hunt may be cancelled or rescheduled upon short notice. No hunt fee refunds will be given if a hunt is cancelled or rescheduled. Handguns are not permitted on any military area.

Partner System

The drawing will not select partners. Every hunter selected through the drawing may choose any person as a partner to hunt with him/her on any Military/Refuge hunt. Selected hunters will have the option of hunting with or without a partner on all areas that do not specifically require a partner. As in the past, Crane and Big Oaks National Wildlife Refuge require that you bring a partner.

The hunter selected in the drawing will be provided with two forms for admission to the hunt (Notification I) and two license request certificates (Notification II). While each individual can only submit one hunt drawing application, each individual can participate in multiple hunts if chosen as a partner in addition to being selected in the drawing. However, on any one hunt day, an individual cannot be both a partner and a selected hunter or be a partner with more than one selected hunter.

There is no limit on how many times a hunter can participate as a partner. A hunter chosen as a partner by more than one person can use the partner license request certificate from each selected hunter to obtain multiple licenses. A partner can take one deer for each license provided, but may not exceed the daily bag limit for the hunt area.

Kankakee and Sugar Ridge Fish and Wildlife areas and several reservoirs will offer self-service check-in hunting for the entire spring wild turkey season, April 23 to May 11, 2008.

Atterbury Fish and Wildlife Area conducts five, two-day hunts at Camp Atterbury Joint Maneuver Training Center. These reserved hunts take place on the following dates:

If more than one property or more than one group of dates is marked, your application will be disqualified.

Hunters will be selected through random drawings. You will be notified whether you were successful or unsuccessful in the drawing. You will not be notified if your application is disqualified.

The wild turkey application must be received at the Customer Service Center by March 14, 2008 to be eligible for the drawing. Late applications and/or incorrectly filled out applications will be disqualified. If more than one application is received for the same hunter, all applications for that hunter will be disqualified. Only selected individuals will be permitted to hunt on most properties. Selected hunters will not be allowed to bring a partner. However, hunters drawn to hunt Big Oaks National Wildlife Refuge will be required to bring a partner to hunt.

Selected hunters at Muscatatuck do not need to check in at the office prior to hunting on their selected day. Selected hunters, at all other properties, must be checked in at the property check station by 4:30 a.m. each morning of their hunt on properties in the Central Time zone and 5:30 a.m. on properties in the Eastern Time zone. Hunting spots, that are not claimed by those times, will be filled with stand-by hunters. Fairbanks Landing, Chinook and Hillenbrand Fish and Wildlife areas, Roush, Mississinewa and Salamonie lakes will not conduct no-show drawings.

Reservation hunts are nontransferable, except when a selected hunter wishes to transfer his/her reservation to a hunter 16 years old or younger and takes that hunter hunting on the reserved days. If the selected hunter harvests a turkey prior to his/her reserved hunt, or on one of his/her reserved hunt dates, the selected hunter forfeits the remainder of the reserved hunt dates.

For additional information, call the property office where you wish to hunt.

2007 Indiana State Park Deer Reduction

Deadline: August 17, 2007

Deer herd reductions are required periodically at state parks to maintain a deer herd that is compatible with the ecosystem of each state park.

Applications will be available July 1, 2007, for a controlled deer herd reduction at 18 state parks and one nature preserve. Reductions will take place on November 26-27 and December 10-11. Hunters will be selected using a random drawing. Deer taken in these hunts are in addition to all other bag limits. You may bring up to two buddies for this hunt. You must enter their information on the application. To be eligible for this hunt, you must be an Indiana resident, 18 years of age by November 26, 2007 and possess an Indiana license to take deer. Each person may apply only once for each state park deer reduction event. Parks where firearms are used will draw first from the pool of hunters who have a valid Hunter Education Certificate. Parks designated for archery require an international Bowhunter or Hunter Education Certificate to apply.

In order to apply for an Indiana State Park Deer Reduction Hunt, fill out the application and provide all the information required. Mail your completed application to IDNR Reserved Hunts; 402 W. Washington St. W160A; Indianapolis, IN 46204. Upland Game and Migratory Gamebird Hunting (Rabbit, Quail, Woodcock and Snipe) at Goose Pond FWA.

Deadline: September 21, 2007

The Department of Natural Resources will offer three upland game hunts at Goose Pond Fish and Wildlife Area. Follow the directions carefully to complete the application. You will be notified of the results by mail. The application deadline is September 21, 2007.

The hunts will take place Nov. 17, 18, Dec. 1, 2, 15, 16, 29, 30, Jan. 12, 13. The season dates for rabbit are Nov. 9, 2007 - Jan. 31, 2008. The season dates for quail are Nov. 9, 2007 - Jan. 15, 2008. The season dates for woodcock and snipe will be determined at a later date by the U.S. Fish and Wildlife Service. Each Friday and Saturday will be one hunt with the drawing taking place at 8:30 a.m. each Friday morning. A successful draw will enable the hunting party to hunt their chosen unit for each day of their hunt.

Hunting parties are limited to two hunters per party. The daily bag limit for quail is four. Non-toxic shot is required. Shooting hours will be from 9:00 a.m. to 3:00 p.m.

Hunters can apply for these hunts by completing the Upland Game and Migratory Gamebird Hunting application. This application must be completed properly and entirely to be eligible for the drawing. Follow the instructions carefully or the application will be disqualified. No exceptions will be made. However, you may use a single application to apply for the Pheasant, Upland

Game, Dove and/or Military/Refuge Deer hunts.

1. Print your last name, first name and middle initial in the spaces provided.

2. Print your complete mailing address along with your city, state and zip code in the correct spaces.

3. Print the number from your current Indiana hunting, hunting and fishing, lifetime or youth hunting license in the space provided. This number is required. Below the license number, select the type of license by marking the box to the left of the types of licenses.

4. Select only ONE date by marking the box in front of the date's name. If more than one date is marked, the application will be disqualified.

5. Affix one First Class U.S. Postage Stamp to the envelope and mail to IDNR Reserved Hunts; 402 W. Washington St. W160A; Indianapolis, IN 46204 so it arrives no later than September 21, 2007.

6. No faxed or over-the-phone applications will be accepted. Overnight mailed applications are acceptable, but must be received at the Customer Service Center by September 21, 2007, not merely postmarked. Walk-in applications will also be accepted at the Customer Service Center until the close of business on September 21, 2007.

The upland game and migratory gamebird hunting application must be received at IDNR Customer Service Center by September 21, 2007 to be eligible for the drawing. Late applications and/or incorrectly filled out applications will be disqualified. If more than one application is received for the same hunter, all applications for that hunter will be disqualified.

Hunters will be selected through a random drawing. All applicants will be notified of the results by mail.
